- Assures accurate, complete, and confidential maintenance of employee and client

records.

- As assigned collaborate with community partners to educate and encourage parent participation in classroom activities by conducting Education and Parent/teacher conferences and/or meetings.
- Assigns, schedules, reviews, and evaluates performance of staff assigned and assisting staff in interpreting performance standards.
- Assist as part of the education team in conducting annual protocol self-assessment to develop, complete, or implement educational contents area and its components through staff trainings.
- Serve as a backup to the Area Manager as required.
- Assist in the development of record keeping systems for all classrooms to document and track progress and/or concerns in accordance to ensure consistency of service delivery system with performance standards and requirements within operations and education area.
- Communicate with all assigned staff concerning all educational development and compliance strengths, gaps, challenges, and issues as it relates to updating educational service area plans as needed and at least quarterly in order to determine progress.
- Implement any work plan changes as assigned.
- Create files to track all document monitoring assistance and communication with assigned staff concerning overdue education reports, and forms on a monthly basis in accordance with federal, state, and agency standards within the overall program, grantee, and partnership centers.
- Participate in revising and completion of community assessment for the education area as assigned.
- Ensure all CLASS and licensing mandates are followed and implemented within all direct and partnership centers.
- Ensures staff have the required training, tools and resources to perform their jobs effectively.
- Demonstrate support for innovation and for organizational changes needed to improve quality and effectiveness, by initiating, sponsoring and implementing organizational change and by helping others to successfully manage organizational change.
- Develop community partnership and participate in community meetings.
- Collaborate with local school districts and child care centers.
- Perform other work related and/or duties as assigned.

Monitoring

- Maintain documentation and reports of center's monitoring, screenings, mandates, case notes, periodic review of children's files for compliance.
- Monitor and ensure that the involvement of family and community supports/resources/referrals are referred and provided the necessary services and support for each child and family in accordance with educational service area plan and implemented within the centers.
- Monitor and maintain reports on requests for all center ordering and supplies to

ensure adequate classroom equipment, supplies and materials are maintained to implement center activities.

- Monitor that all centers are conducting strengths-based and culturally competent early childhood needs assessment for the child/family.
- Monitor, document, and report on how staff is managed and evaluated through performance plans and progress of personnel in service areas within the overall programs, grantee, and partnership centers.
- On-going monitoring using education monitoring checklists: Family Style Meals, Classroom Compliance, File Audits, Individualized Lesson Plan Feedback, Safe Environment, Classroom Education Plan, Transitional Plan, and Classroom Observations and Assessment.
- Review weekly planning forms and children's files and provide appropriate feedback and guidance to ensure compliance with organizational, federal, and state policies and guidelines.
- In cases of supervising multiple Centers there must be a routine schedule for monitoring and providing equity in time and attention to all centers under this position's supervision.

Reporting

- Collaborating with Area Manager and other management staff for compliance and prompt reporting of unsafe or hazardous conditions and/or injury, center incident, injury investigations, corrective actions, occupational safety and health practice systems, and inspections as required and/or directed within all center.
- Ensure that data from the Federal program monitoring, community assessment analysis, annual self-assessment process, Program Information Reports (PIR), CLASS outcomes, child and family outcomes reporting is compiled, analyzed and used for continuous program improvement and program evaluation specifically for the overall area.
- Prepare and submit budget requests and recommendations to the Area Manager for the center(s).
- Prepare and submit monthly center reports to the Area Manager that report the status of all programs, grantee, and partnership centers as it related to maintaining and implementing federal, state, and regulations.
- Prepare, report, track, maintain, and oversee the preparation and maintenance of attendance, activity, planning, or personnel reports and records within the overall education area and center level as deemed necessary.
- Review and authorize center staff time records and overtime to ensure compliance with policies and procedures in regards to wage and hour laws and regulations if applicable.
